## WORK HISTORY

### TEACHING ASSISTANT - CODING BOOT CAMP 06/2020 to CURRENT

#### 2U Education / Trilogy | Richmond, VA

-Assisted in teaching students in-demand tech skills such as; HTML5, CSS3, JavaScript, jQuery, Express.js, React.js, Node.js, MongoDB, MySQL, Bootstrap, and more.

-Held bi-weekly review sessions, where I tutored students one-on-one, assisting with projects, homework, etc.

### FULL STACK WEB DEVELOPER 05/2020 to CURRENT

#### Freelance - Self Employed | Richmond, VA

-Consulted with clients for tech solutions to meet their website and application's needs, using technologies such as HTML, CSS, Java, C#, JavaScript, jQuery, MySQL, ReactJS, API's, and more.

-Developed, optimized, and maintained websites and applications to meet and exceed client's needs.

-Worked on various projects at different stages of development, from startup to refactoring, focusing on SEO, UI/UX design, and scalability.

### FULL STACK DEVELOPER STUDENT 10/2019 to 05/2020

#### University Of Richmond | Richmond, VA

-Completed the intense 24-week full stack coding boot camp, where I learned skills such as HTML5, CSS3, JavaScript, Bootstrap, jQuery, Express.js, React.js, Node.js, PWA's, MongoDB, MySQL, Git, and more.

-Graduated with a grade average of A+, and was the student speaker for class

graduation

-Used agile and scrum methodologies while working on responsive web applications in team settings.

### **MULTI-UNIT MANAGER**

*06/2018 to CURRENT*

**Delaware North | Richmond, VA**

- Create PO's for the procurement of product that supplies nine total units. This product includes all F&B, paper product, and janitorial supplies
- Create weekly waste reports to find issues with pars, misuse, or over-requisitioning. Create process improvements to limit the above mentioned
- Manages staff, from multiple units, while withholding company policy, standards, and expectations
- Review monthly inventory for accuracy, which also includes price updates, inputting of invoices, sales and costs

### **EDUCATION**

Full Stack Coding Boot Camp

*05/2020*

**University of Richmond, Richmond, VA**
